

Kings Square, Gloucester

City Pedestrian Area

As the successful tenderer we were contracted to reconstruct the first phase of the Kings Square redevelopment. This included new works where drainage, ducting and paving for a 10,000m² area.

All works were undertaken in phases that were considerate where retail and public access were concerned whilst adhering to what was a challenging 9 week construction schedule.

Client:
Gloucester City Council

Project:
Kings Square Paving

Architect:
Gloucestershire City Council

Value:
£180,000
